

# How to start?

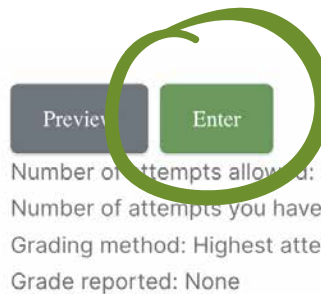

**Make sure you understand how the platform works.**  
Please take a few minutes!

**Access the learning resources as follows:**

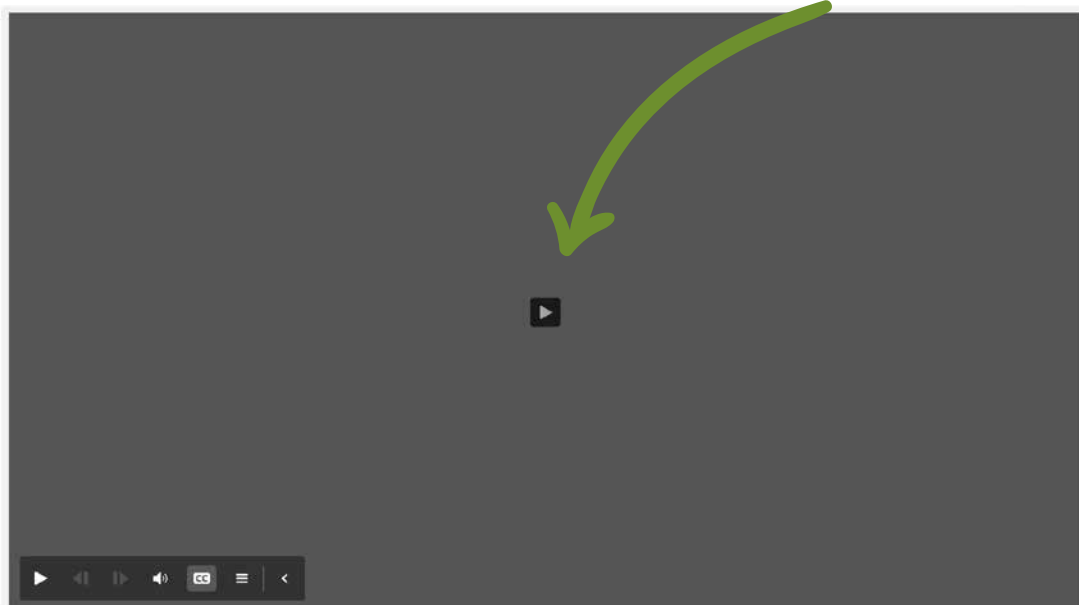

**1.** Click on the resources in each section.

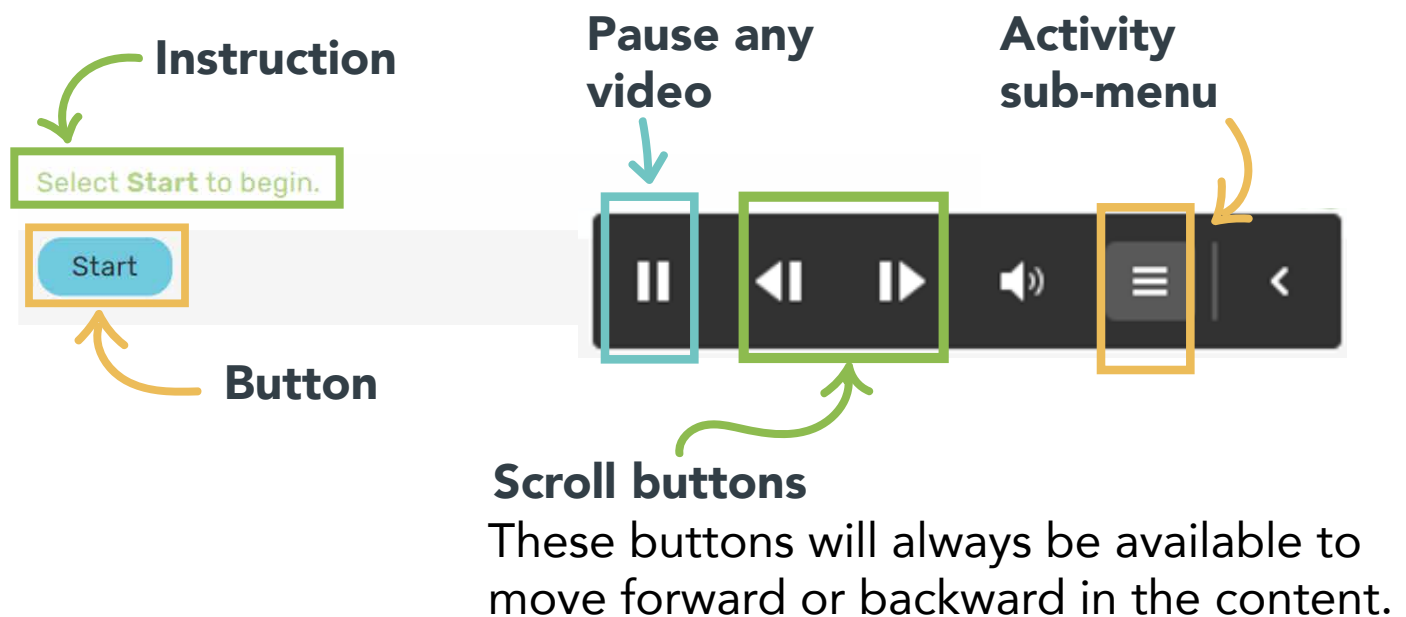

**2.** View the resource or click on the button to enter.

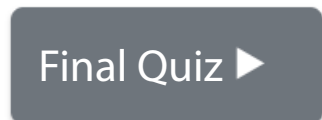

**3.** Wait for it to load and click play.

#### 4. Use the bar to navigate within the resource.

#### 5. Use the button below to go from one learning resource to the next.

#### Finally, consider the following netiquette:

- The use of the platform is individual and non-transferable.
- Respond to each activity or assessment honestly.
- In the learning forum and in all communication with others in this virtual space, respect for the opinions of others and cordial communication is expected.
